What your free iPhone 3Gs will look like

This guide will tell you how I got a free iPhone 3Gs. The iPhone 3Gs is an amazing phone and it didn't cost me a single penny!

If you want to own an iPhone 3Gs, then just follow this simple guide and you'll have one for free in no time at all.

To get your free iPhone 3Gs really is a very simple process, just click the signup button which will take you to the [signup website](#), follow the signup process and qualify to receive a brand new iPhone.

Too good to be true? How does it work?

We have had lots of e-mails saying that this offer of a free iPhone 3Gs is too good to be true and asking us to explain how it can be possible so we would like you too take a few moments to read this and understand the process.

When you signup you will be asked to complete one free offer, for example a free Love Film trial, by doing this Love Film will pay a commission which partly funds your free iPhone 3Gs as a reward. Love Film do this because they hope you will remain a customer, however the trial is completely free and can be cancelled without costing you a single penny. If however you enjoy the trial then you get to enjoy a great service and a free iPhone 3Gs. Love Film is a direct debit customer, this means that you the customer retain full rights to cancel your direct debit instruction at anytime.

Once you have completed the free trial qualification, all you are then asked is to do is refer some friends and family to do the same thing, this will benefit Love Film further and so more commission is paid which allows you to reap some of the benefits in the form of a free iPhone.

Please note that there are many other offers if you would prefer not to try Love Film.

What if I don't refer any friends?

If you don't fully qualify to receive the free iPhone, you will have enjoyed a free film trial and not spent a single penny. This is a completely free, no obligation deal.

You can also change your free gift option. For only 5 referrals you would qualify for a free 8GB iPod Nano, and for 8 referrals an 8GB iPod Touch! These targets can be achieved very easily.
